

## News from the President

Our President, Emily Law, is currently enjoying a much needed and deserved vacation in Florida. We wish her a good time and a safe journey.

Other successful events have been the August Gala and the Full Moon Party. Our greatest successes to date though have been the increased awareness of our citizens and elected officials of the importance of this beautiful facility to the citizens of our community. We have raised over \$20,000 to date. We hope to be on the Board of Alderman December agenda on December 13, 2011. Come show your support! Hopefully a vote on financial support towards the building debt will be passed that night.

December is 2012 Membership Month. Please join us as a Friend of the Library for 2012, or renew your membership! We have included a membership form with this newsletter. We won't disappoint you, as we have a great plan of events & activities for the upcoming year. We appreciate all of your support with your gifts, talents, and time!

Emily T. Law  
FOL Board Chairman
